

Saint Cecilia School

Home & School Newsletter

WELCOME to our new families and **WELCOME BACK** to our returning families. As a community we survived the earthquake and hurricane, so the school year will be a piece of cake! With more rain in the forecast, does anyone have a neighbor named Noah?

The Home and School Membership Drive starts today. The membership fee is only \$10.00 and helps to pay for such things as: birthday treats for all the students and faculty, gifts for the Communion and Confirmation classes, and buddy day activities and treats, to name a few. A separate flyer is enclosed and we hope every family will join. Remember, you *must* be a home & school member to attend various events throughout the year.

Be sure to stop by Rita's Water Ice on Huntingdon Pike tomorrow, Tuesday, September 20th between the hours of 4:00 and 6:30. It's a chance to renew old friendships, make some new friends and to meet our celebrity scoopers. Rita's will donate a portion of all sales to Saint Cecilia School. See the enclosed flyer and don't miss the fun!

The Box Tops contest is on again this year! Be sure to clip and save your box tops until October. If you already shop online, check out the box tops website, www.boxtops4education.com and learn how to earn eBoxTops for our school.

On October 2nd our parish's 100th anniversary year culminates in a celebration of the mass at 2:30 p.m. followed by dinner at Williamson's. Why not keep the celebration going? For a cost of only \$12.00 you can own your very own Saint Cecilia 100th Anniversary cookbook. It includes recipes from Saint Cecilia cooks and makes a great Christmas gift. Order forms are enclosed with this communication.

Due to popular demand, they're back! KidStuff Coupon Books will go on sale in October. If you're not familiar with the books, they offer coupons that are family friendly, from supermarkets to department stores to family entertainment. By using just a few coupons, you can easily recoup the cost of the book. Order forms will be available through the communication envelope. This is a *voluntary* fundraiser.
