

Saint Cecilia School

Home & School Newsletter

A great big *THANK YOU* is extended to all the families and celebrity scoopers who participated in our Rita's Water Ice event. The rain held off and even though the day was partly cloudy, everyone's SCS spirit was shining!

The Home and School Membership Drive is underway. The membership fee is only \$10.00 and is used to pay for such things as: birthday treats for all the students and faculty, gifts for the Communion and Confirmation classes, and buddy day activities and treats, to name a few. If you didn't get around to filling out your flyer from last week, it's never too late to send in your membership request. If you already recycled your flyer, just send in a note with your family name and list all of your SCS children with their room numbers and enclose your check. We hope every family will join. Remember, you *must* be a home & school member to attend various events throughout the year.

During the fiscal year July 1, 2010 to June 30, 2011 we received a check in the amount of \$1,713.59 for all the paper we recycled. Not only are your efforts helping the school, but each time the bin is full we save 17 trees from being cut down. Thank you for recycling!

The Box Tops contest is on again this year! Be sure to clip and save your box tops until October. If you already shop online, check out the box tops website, www.boxtops4education.com and learn how to earn eBoxTops for our school.

On October 2nd our parish's 100th anniversary year culminates in a celebration of the mass at 2:30 p.m. followed by dinner at Williamson's. Why not keep the celebration going? For a cost of only \$12.00 you can own your very own Saint Cecilia 100th Anniversary cookbook. It includes recipes from Saint Cecilia cooks and makes a great Christmas gift. Order forms were enclosed in last week's communication envelope. If you don't have the order form, just send in a note with your family name and youngest child's room number along with a \$12.00 check.

Due to popular demand, they're back! KidStuff Coupon Books will go on sale in October. If you're not familiar with the books, they offer coupons that are family friendly, from supermarkets to department stores to family entertainment. By using just a few coupons, you can easily recoup the cost of the book. Order forms will be available through the communication envelope. This is a *voluntary* fundraiser.
