

*St. Cecilia Church*

535 Rhawn Street  
Philadelphia, PA 19111

I understand that I am not in compliance with the standards set forth regarding the Safe Environment Program in the Archdiocese of Philadelphia as to reporting suspected child abuse. However, I will attend the next session that becomes available in this area.

In addition, I understand that it is my responsibility to report to my principal, pastor, and/or person in charge any situation that I feel is a good-faith reason that child abuse has occurred.
