For Safety's Sake

NO cars are permitted to come into the schoolyard for any reason at arrival or dismissal times. This is for the safety of our students who are walking through the yards after being dropped off at the curbs by their parents. We are grateful for your help and support with this regulation.

Emergency Cards

Enclosed in your family envelope is the emergency card for this year. It is most important that this card is filled out completely and returned as soon as possible. It is the emergency card that is kept in the nurse's office.

Month of the Rosary

On October 7th we will celebrate the feast of Our Lady of the Rosary. The rosary is prayer and meditation on the life of Jesus and our own life learned in the company of the Mother of God. It is a share in her prayer life, as it is handed down in the Church. It focuses on the mysteries of our faith—joyful, luminous, sorrowful and glorious. The praying of the rosary brings together the painful and happy mysteries of your life with those of Jesus and Mary.

Share your understanding of the rosary with your child. If possible, gather your family to pray the rosary together. We will be praying the rosary as a school family throughout the month of October. Be assured that you and your family intentions will be remembered in our prayer.
